

# Drumming Podcasts

**DRUM LESSONS IN LA.COM**

The popularity of podcasts has exploded in the last several years. As drummers, we now have an abundance of great drumming podcasts to listen to and learn from. Each of the following podcasts has its own personality and take on drumming. Most of these podcasts are available on multiple platforms.

I've tried to include the links to their main page when possible. (Search for them on your preferred listening device if there isn't a link.) These are only a fraction of podcasts available on your favorite listening platform. Check these out if you haven't already and let me know which other podcasts you listen to.

## DRUMMER'S RESOURCE

Weekly conversations with the world's greatest drummers, music industry pros, and thought leaders – complete with “show notes” of everything we discuss.

[drummersresource.com](http://drummersresource.com)

## BIG FAT FIVE

The Big Fat Five Podcast talks with favorite drummers and/or songwriters about the top 5 drumming moments (in either a recording or performance) that completely formed either the way they play today or what they look for in a drummer.

## WORKING DRUMMER

A podcast that features perspectives, experiences, and stories from ground-level, working pros, plus advice, tips, and secrets on how to build a career in the music business.

[workingdrummer.net](http://workingdrummer.net)

## DRUM HISTORY

The Drum History Podcast has been on a journey to document the history of the drums ever since. Topics range from the very early beginnings of man's involvement with percussion up to modern-day innovations that are changing the drum industry. The show has seen major growth since its launch and has become a resource for many drum historians and enthusiasts around the world.
